## Intermittent Lane Closures for 16th Street NW Bus Lanes Project from March 29 through April 9, 2021

(Washington, DC)—The District Department of Transportation (DDOT) is advising all stakeholders to expect the intermittent closing of travel lanes on **northbound and southbound 16th Street NW at Columbia Road NW, Harvard Street NW, Mt Pleasant Street NW, Monroe Street NW, Park Road NW, Riggs Place NW and Lamont Street NW beginning, Monday, March 29, 2021 through April 9, 2021, weather permitting.**

These intermittent lane closures will occur one lane at a time during the off-peak hours of 9:30 a.m. to 3:30 p.m., Monday through Friday with Saturday work under special circumstances and advance notice.

Roadway users should expect short interruptions to two-way traffic. Travel lanes will be tapered as necessary to allow for the safe channelizing of traffic. Temporary sidewalk closures may be required during construction. Pedestrian channelizers, detours, and signage will be installed when these sidewalk closures are needed.

Please be advised that the Capital Bikeshare located at 16th Street and Harvard Street NW has been temporarily relocated to 15th Street and Harvard Street NW. Once the work is completed at this intersection, Capital Bikeshare will return to its original location.

These intermittent lane closures and activities are necessary to complete work related to the 16th Street NW Bus Lanes project from Arkansas Avenue NW to H Street NW. The following construction activity will take place in the upcoming weeks, weather permitting:
